ZION HEALTHSHARE MEMBERSHIP

A smarter, more affordable way to handle medical expenses.

WHAT'S INCLUDED IN MY MEMBERSHIP?

- Healthsharing
- Preventive Sharing
- RxShare

(More information on preventive sharing and RxShare can be found on the following page of this document.)

HEALTH SHARES DEFINED

A HealthShare is a community that helps members manage healthcare expenses by sharing the costs. As a member, you pay a monthly contribution and when a medical need arises, you visit a provider as a self-pay patient and cover the Initial Unshareable Amount (IUA) yourself.

You submit a sharing request to Zion HealthShare, and they help share in eligible expenses through community funds.

WHAT IS AN IUA?

Your Initial Unshareable Amount (IUA) is the amount you pay toward a medical need before expenses are shared by the community. You'll never pay more than three IUAs in a year.

When you joined, you chose an IUA level:

- \$1,000 IUA
- \$2,500 IUA
- \$5,000 IUA

If you'd like to update your IUA—just reach out!

WHY DO I NEED TO PRESENT AS SELF-PAY?

Since Zion HealthShare is not insurance, members must present as self-pay patients. This allows flexibility in choosing providers, lowers costs through direct payments, and makes the process of sharing eligible medical expenses simpler.

WHAT'S ELIGIBLE FOR SHARING?

Medical needs are eligible for sharing with the community per the Member Guidelines.

Examples include:

- Emergency Care
- Hospitalization
- Injury
- Surgery
- Sudden Illness
- Maternity Needs

All sharing decisions are based on the Member Guidelines. For more details and a full list of shareable expenses, please review the Zion HealthShare Member Guidelines [here](#).

SUBMITTING A SHARING REQUEST

1. Contribute to the community through your monthly membership.
2. When a need arises, present as self-pay and pay your IUA.
3. Submit a sharing request through your [Zion HealthShare](#) portal.
4. Receive support for eligible expenses from your HealthShare community.

Go to your appointment and pay the self-pay rate, collect the itemized bill and receipt and submit through the portal for sharing. You can also contact Medical Advocacy in advance to arrange for prepayment for your visit.
