

Why Partner With Helpside?

Benefits of working with Helpside

Access to unique, affordable employee benefits for your referrals

- Six different health plan options that are exclusive to Helpside clients, including four traditional PPO plans and two HSA-qualifying plans with affordable rates and historically low annual rate increases. Working with clients domiciled in Utah, Wyoming and Arizona, we are often able to **save companies up to 20%** and improve their employee benefits package.

Best in class customer service for your referrals

- Do you hate phone trees and chat bots? So do we. That is why **a person answers our phone, email, and live chat every time**. Our clients tell us that our people are the best part of working with Helpside because they love the personal touch they receive from our team of specialists.

Competitive compensation structure for brokers

- Brokers partnered with Helpside receive compensation based on **health plan participation or if groups don't choose the Helpside Medical Plan, get paid on Helpside admin fee instead**.
 - \$50 per employee enrolled on the Helpside Medical Plan per month*
 - 15% of per employee per month Helpside administration fee if the group does not choose Helpside's Medical Plan*

Professional advice in HR, payroll, and benefits for your referrals

- Dedicated, skilled employees in each of these departments, give you access to **expert-level advice** whenever it is needed via phone, email, or live chat to help keep the company in compliance.
